

Advisory

Foreign Nationals travelling to India can now apply for Online Visa (E-Visa) through the official Government of India website - <https://indianvisaonline.gov.in/visa/index.html>

Unfortunately, there has been an increase in the number of fake websites offering online visas to travel to India. It may be please noted that these websites are not authorised by the Government of India to issue Online Visas and hence E-Visas procured through such websites shall not permit entry in India.

The following is a list of few such fake websites:
