

Study at Jamia

Jamia Millia Islamia (JMI)

About Jamia

Jamia Millia Islamia (JMI) is a leading national university based in New Delhi. It's a comprehensive university that offers academic programmes in multiple disciplines and new knowledge domains. Noticeably, the status of a central university accorded to JMI in 1988 by an Act of Parliament proved to be a quantum leap.

JMI has been ranked recently at the 10th position in the country in universities category in MHRD's NIRF-2020 India Ranking. As one of the top ranking universities of India, JMI aspires to find a place in the world ranking. The World University Ranking (WUR) of the Times Highest Education has put the institution in the band of 601-800.

JMI promotes Gender Equity on the campus. We have residential facilities for foreign students. About 300 hundred foreign students from 39 countries under various categories of admission are already pursuing academic programs in Engineering, Management, International relations, Public Administration and other disciplines both at the UG and PG levels and a good number of them is pursuing M.Phil/Ph.D. research. enrolled at JMI.
