Advisory on Fake Calls received by Indian nationals

It has come to our notice that some Indian nationals, especially students, are receiving fake calls by an imposter projecting himself as a member of the Embassy of India, Madrid. Through Caller ID Spoofing, the fake caller's number erroneously appears as the Embassy Reception number. He introduces himself as "Rupesh Sharma" and asks for personal documents under false pretexts.

All Indian nationals are hereby urged not to entertain any such calls demanding personal documents.
